Members advise and collaborate with departments on the development of policies that affect the teaching, learning and work environments.

HEALTH LAW INSTITUTE

Director, DePaul University College of Law

Chicago, IL. 2003-2007

Responsible for strengthening the Health Law Program to earn placement in the *Top Ten* of all health law programs in the nation (*US News & World Reports*). Maintained elite ranking while revitalizing the program through developing strategic governing and financial plans, enhancing student body, creating competitive scholarships, promoting selective admissions, and enhancing the intellectual life of the Institute. Reconfigured the board of directors and created a student board of advisors. Restructured the Journal of Health Care Law, increasing subscriptions and issue publications from one to four issues published per year. Created the Health Law Fellows Program, a successful job placement program for 1Ls; created the Faculty Fellows Program, attracting distinguished scholars in law and medicine, collaborated with the American Medical Association, Blue Cross Blue Shield, Pharma, and The Chicago Children's Hospital among other organizations. Expanded scholarship opportunities and externship placements for Fellows.

CENTER FOR THE STUDY OF RACE & BIOETHICS

Director, DePaul University College of Law

Chicago, IL. 2002-2007

Directed and founded this research based institute, which focused on determining the validity of health care disparity claims in health delivery systems as related to race, gender and ethnicity. The Center served as a model to subsequent programs and projects developed to address race and health care. Past research cycles included studies examining health perceptions among African Americans (youth and adults) on organ transplantation procurement and allocation in communities of color and AIDS—sexual behaviors, attitudes, and support in communities of color. Sponsored conferences, roundtables, and publications in the Journal of Health Care Law.

UNIVERSITY OF WISCONSIN LAW SCHOOL

Assistant Dean for Institutional and Community Initiatives

Madison, WI. 1999-2000

Responsible for the law school's implementation of the Plan 2008, which was an equity based initiative focusing on recruitment, retention, and community issues. Responsible for developing and submitting a budget proposing a half-million dollar increase in state and institutional funding for the law school to increase student participation and success at the law school.

LEXINGTON-FAYETTE COUNTY SCHOOL BOARD

Director of Equity, Accountability, & Compliance

Lexington, KY 1995-1999

Served as senior advisor to the second largest school district in Kentucky, with a student population exceeding 30,000 and 54 schools. Monitored nineteen district departments and reviewed district's progress and compliance with federal and state mandates. Counseled Board on redistricting, magnet schools, voucher plans, and other statutory and regulatory challenges. Represented Board in regular meetings with the superintendant of schools, district directors, principals and teachers. Advised and helped structure plan to comply with federal mandate on school integration; structured negotiations with families of children with special needs, which led to the creation of state-of-the-art facilities; responded to issues ranging from tracking, improving student performance, IEPs, mainstreaming children with disabilities, sexual harassment,

professional development, to pay equity. Reduced the Board's exposure to litigation. Served as a liaison to the Department of Education, local community, and local government.

UNITED COUNCIL,
Academic & University Affairs Director and Lobbyist Madison, WI 1991-1992

Served as a senior staff member for one of the first and largest student associations in the United States. Coordinated legislative information sessions for students and student leadership at the 21 University of Wisconsin campuses. Represented more than 125,000 students in the University of Wisconsin system. Advised on referenda, curricular reform, graduate school programs, and financial aid issues. Lobbied for increases in Pell grant funding in Washington, DC. Met with the governor, legislators, and Board of Regents. Recruited into position from other national work with the United States Students' Association, where I served on the Executive Board as Women's Affairs Director.

WISCONSIN STUDENT ASSOCIATION,
Co-President Madison, WI 1989-1990

Responsible for governing the student affairs of the 43,000 students attending the University of Wisconsin pursuant to Wisconsin state statute §36.09(5), which grants Wisconsin students a legal share in the "rights and responsibilities" of institutional governance. Presided over and managed a six million dollar budget, which funded health care services, travel services, the Wisconsin Student Union, lobbying efforts, speaker series, and grants to student organizations. Lobbied on behalf of students to the Wisconsin State Legislature and Congress for increases in student financial aid. Responsible for appointing representatives to over 100 university committees. Led staff of thirteen directors. Consulted with the Wisconsin Board of Regents and met regularly with the Chancellor (Donna Shalala).
