

## Important Notices to Students

### *Transfer of Credits*

- Students may earn up to fifteen elective credits towards their J.D. degree for a semester (or twenty-nine credits for a full academic year) of study at one of the Law School's eleven semester exchange programs.
- For schools using the European Credit Transfer System (ECTS), two ECTS credits equal one Law School credit. In Uruguay, one University of Montevideo credit = 1.2 ECTS credits.
- To be eligible for transfer back to the University of Minnesota Law School, credits must be in courses that are substantially related to **legal studies**. If allowed by the host institution, you may take language or other courses, but credits earned will not transfer to your U of MN transcript.
- For credit to transfer under Scholastic Rule 8.7, grades completed at the foreign university will be entered on a Pass/Fail basis upon certification from the foreign instructors regarding the "quality" of the student performance. A grade of 2.0 ("**C**" **equivalent or better**) is generally considered "quality" performance for transfer purposes.
- The Director of International and Graduate Programs may also request course materials and written work of the student from the host institution to ensure that the program meets the standards equivalent to those employed at the Law School pursuant to ABA Criteria for Student Study at a Foreign Institution, Rule I.D.4.

### *Travel Registration and Health Coverage for Study Abroad*

- The University of Minnesota requires all students studying abroad **register their travel** and to obtain **international health insurance**.
