This special edition of the Law Library’s Selected Acquisitions List includes titles added to the Law Library’s collection between March 2020 and September 2020. When the University physically closed in March 2020, the Library placed a hold on shipments of materials. Receipt of materials resumed this fall, and the Law Library’s Acquisitions and Cataloging staff have now worked through the significant backlog to process the materials and make them available to Law Library users.

Due to the large number of titles included on the Selected Acquisitions List, we have attempted to facilitate navigation by providing hyperlinked subject headings on the first page. Click on a subject of interest to go directly to that section of the acquisitions list. Please be aware, however, that certain subject sections (e.g., International Law) include several pages and you will need to scroll through the many titles under those headings.

Next month the Law Library will resume its regular monthly acquisitions list publication schedule.
