### Course Reserves

Please list *complete citations* for the items you want to place on reserve for the upcoming semester/summer session on the attached **COURSE RESERVES REQUEST FORM**. Alternatively, submit your syllabus *if it provides complete citations to the works to be placed on reserve*. Please **do not submit exams** with this form--you will soon receive a separate form for exams.

We will link to available electronic texts, unless you indicate that you would like a hard copy on reserve. Hard copy texts will be available at the circulation desk. The library does not purchase casebooks but we will make every effort to obtain other requested materials. The Law Library may be unable to place some materials on reserve on the basis of law-related or administrative concerns. Upon request, we will digitize course syllabi, book chapters, articles, etc. as allowed by copyright law. Please submit the attached **COPYRIGHT COMPLIANCE FORM** in order to have copies of copyright works placed on reserve. Whenever copyrighted materials are duplicated, whether the copies are made by instructors or by the library, only the amount needed to accomplish the specific educational purpose may be placed on reserve.

**Copies of works will be made available for course reserves only if they meet one of the following requirements:**

- Materials are in the **public domain** (<https://www.lib.umn.edu/copyright/publicdomain>)
- Copyrighted materials are used under the provisions of a **contract or license agreement** (<https://www.lib.umn.edu/copyright/eresources>) The Law Library will determine permissible uses under such contracts or license agreements.
- Copyrighted materials are used under the provision of **Fair Use**, U.S. Copyright Act, 17 U.S.C. Section 107, determined using a case-by-case four-factor analysis (<https://www.lib.umn.edu/copyright/fairuse>)
- Copyrighted materials are used with **permission** from the copyright holder (Contacting the publisher or copyright owner directly often is the easiest way to obtain permission. The Copyright Permissions Center at <https://www.lib.umn.edu/copyright/permissions> can also provide assistance.)

Materials marketed primarily for instructional use in courses (e.g., textbooks, workbooks, anthologies) cannot be copied for reserve.

Additional information regarding copyright compliance is available in the Copyright FAQ at: [http://library.law.umn.edu/copyright\\_faq.pdf](http://library.law.umn.edu/copyright_faq.pdf).
