Reciprocity Policy

The University of Minnesota Law School Career Center provides reciprocal career services to the students and graduates of other law schools per the following terms:

1. The Career Center will only provide resource access to students and graduates of an ABA-accredited school that permits University of Minnesota Law School students to use their career services. Students or graduates of other law schools may have reciprocity of only one school in Minnesota at a time.
2. Reciprocity will be unavailable from July 15 - October 15 each year.
3. Requests for reciprocity must be made in writing by a career service staff member on behalf of the student or graduate seeking reciprocity. The request should be emailed to lawcareers@umn.edu and should include the name, email address, and mailing address of the student or graduate.
4. As part of having reciprocity, students and graduates will have access to limited career library resources and certain job postings through Symplicity. Please note, reciprocity does not include postings for computer services, on-campus interviews, resume collects, or certain job postings limited to Minnesota Law students.
5. Reciprocity is available for three months, beginning the date that reciprocity is granted, or until the beginning of the blackout period (July 15), whichever date comes first. A renewal request for reciprocity is discouraged, and will be treated as a new request.
6. A student or graduate's reciprocity may be revoked at any time if the individual misuses the facilities or services. Moreover, the Career Center may deny reciprocity to students or graduates of law schools considered to have surpassed a reasonable number of requests for the calendar year.
7. The Career Center reserves the right to modify its Reciprocity Policy at any time and without advance notice. The Career Center also reserves the right to limit access at any time.
8. Reciprocity is unavailable to students and graduates of other law schools in the state of Minnesota.
